

This guide sets out the requirements to lodge a Withdrawal of caveat under the *Transfer of Land Act 1958*.

Documents required by Land Victoria

Withdrawal of caveat

The Withdrawal of caveat form must be fully completed and is available on the [Transfer of Land Act](http://www.delwp.vic.gov.au/property-forms) page at www.delwp.vic.gov.au/property-forms>Transfer of Land Act>Caveat.

Verification of identity

All parties to a conveyancing transaction must have their identity verified.

When a conveyancer or lawyer represents a client, the conveyancer or lawyer is responsible for verifying their client's identity. For further information, refer to [Guide to verification of identity for paper conveyancing transactions for conveyancers, lawyers and mortgagees](#) available at www.delwp.vic.gov.au/property-forms>Verification of identity.

If a party to a conveyancing transaction is not represented by a conveyancer or lawyer (a non-represented party), verification of identity needs to be undertaken by Australia Post – the Approved Identity Verifier. In addition, Australia Post will witness the non-represented party signing any conveyancing documents. For further information, refer to [Guide to verification of identity for people not using a conveyancer or lawyer](#) available at www.delwp.vic.gov.au/property-forms>Verification of identity.

Fees

Land Victoria fees are payable at lodgement.

Acceptable payment methods and lodgement fees are available on the [Forms, guides and fees](#) page at www.delwp.vic.gov.au/property-forms>Payment and lodgement.

How to complete the Withdrawal of caveat form

This form should be completed online and printed for lodgement.

When you have completed the form and are ready to print, click the 'Print Form' button at the end of the form – do not use 'File' then 'Print' or the quick print button at the top of the form.

An error message will appear if not all of the mandatory sections are completed. If sections of the form are being completed manually rather than online:

- the writing must be clear and legible and in BLOCK LETTERS
- only use black or blue pen
- correction fluid must not be used
- the back of the form must not be used.

- Click the 'Name differs to folio' radio button.
- Enter the full name as it appears on the folio.

Signing

Guide to withdrawal of caveat

The form must be signed either by a representative of the Caveator or by the Caveator. The default for signing is an Australian Legal Practitioner as a representative of the caveator.

If form is being signed by a representative

Check the appropriate radio button for the person/firm signing:

- Australian Legal Practitioner
- Licensed conveyancer
- Agent.

Enter the name/company in the box provided.

Additional information

Written proof of agency must be supplied if an agent signs for the caveator(s) unless the agent is an Australian Legal Practitioner, or licensed conveyancer.

The proof can be in the form of a letter appointing an individual (on letterhead stationery if appropriate), signed personally by the caveator or, if a company, its usual mode of signing will be acceptable.

For practical purposes it is preferable that the letter authorises the agent to execute caveats and withdrawals of caveat.

If the form is being signed by the caveator

Check the 'Caveator' Radio Button.

Each caveator must sign.

Depending on whether the caveator is an individual or corporation, a different signing clause will display.

For an individual, the options are:

- Individual's Name – the individual will sign in his/her own right
- Other Power of Attorney – certified copy of Power of Attorney is required
- General/Enduring Power of Attorney – no copy required if in the Victorian form
- Leave Blank – allows for a manual keying of the signing clause.

If a Power of Attorney option is chosen, separate boxes will open to allow for the attorney's name and the date of the power to be entered.

For a corporation, the options are:

- Leave Blank – used for Power of Attorney signing and allows for signing clause to be entered manually
- Execute using a Common Seal – three options:
 - Multi-person Company
 - Sole-person Company
 - Multi-person Company – one director only signs
- Execute without a Common Seal – three options:
 - Multi-person Company
 - Sole-person Company
 - Multi-person Company – one director only signs.

If choosing 'Execute using Common Seal' or 'Execute without Common Seal' you will be given three options to choose from. With each option, extra boxes will appear where the director's or secretary's full name and usual address must be keyed.

The form must then be signed by the director and/or secretary and the Common Seal affixed (if applicable).

If using the option 'Multi-person Company – one director only signs', the usual proofs (copy of company constitution or letter from legal practitioner) are required to be presented at the time of lodging the caveat.
